Quartz countertops for the Linden Avenue kitchen

Hi Priya, thank you for coming to the showroom. Here is the quote for the Calacatta Lumen quartz you chose, on the L-shaped perimeter and the new island with a waterfall end. Prices are per square foot from the cabinet plan you sent; the final square footage is set at the template visit, and I will send an updated quote if it changes.

Your layout

AREA	SIZE	EDGE	SEAMS
Perimeter, L-shape	42 sq ft	Eased	One, at the inside corner
Island	96 × 48 in, 32 sq ft	Eased, waterfall left	None
Backsplash	4 in high, 24 LF	Eased top	At the corner

Seam positions are marked on the template and shown to you before cutting.

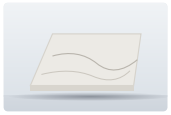

Other stones for the same kitchen

Granite, level 2 Natural stone, sealed yearly.	each slab unique, very heat resistant	**$7,314.00** $68 per sq ft
Quartz As in this quote.	no sealing, consistent veining	**$8,054.00** $78 per sq ft
Quartzite Natural, marble look.	harder than granite, sealed yearly	**$9,534.00** $98 per sq ft

Terms

1. Cabinets

1.1 Cabinets must be installed, level and secured before the template visit. A second template visit costs $150.

2. Square footage

2.1 The final price follows the square footage measured at the template, at the prices in this quote.

3. Warranty

3.1 The quartz carries the manufacturer's 15-year residential warranty; our fabrication and installation are covered for 2 years.

Accept this quote

Sign to accept, and we reserve your slabs and book the template visit.
