At delivery and at return

Our driver and your superintendent check each unit together and sign the condition report.

At delivery

- ☐ Hour meter and charge or fuel level recorded
- ☐ Photos of all four sides of each unit
- ☐ Function test with your operator present

At return

- ☐ Batteries charged and fuel tanks full
- ☐ Equipment clean of drywall mud, paint and concrete
- ☐ Keys and manuals with each unit

Return and charges

1. Return

1.1 Rent runs until the equipment is called off and ready for pickup. Call off by 2 pm the working day before pickup.

2. Extra charges

2.1 Refueling at $6.50 a gallon, a $95 recharge fee per lift returned flat, and $75 an hour for cleaning.

3. Payment

3.1 The 4-week charges are billed on delivery to the card or account on file. Extensions are billed weekly.

Rental terms

4. Operators

4.1 Only trained operators may use the equipment. The Customer confirms that each aerial lift operator has current aerial lift training and will keep the records on site.

5. Site and use

5.1 Lifts are for slab use on firm, level ground. The Customer keeps the equipment at the jobsite above and does not lend, sublet or move it to another site.

6. Damage waiver

6.1 The damage waiver covers accidental damage over $250 per incident. It does not cover theft, misuse, tire damage, or loss from leaving equipment unsecured.

7. Breakdowns

7.1 Call us at once if a unit fails. We repair or replace it within one working day and do not charge rent for the days it is out of service.

Agreed

Please sign by Feb 26, 2027 so we can hold units for March 1.
