On 2 weeks' notice.

Required
Mill test reports
With every delivery.

How this blanket order works

ONE ORDER, THREE RELEASES

This PO commits us to the quarter's quantities. Each release below is a delivery against it, not a new order.

CHANGES

We may move up to 10% of a release to the next month with 2 weeks' notice. Unreleased quantities after March 31 are cancelled at no charge.

Release schedule

Quantities to deliver on each release date. Please confirm each release 5 working days ahead.

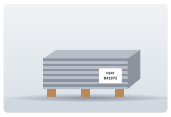

MATERIAL	JAN 5	FEB 2	MAR 2	TOTAL
HR 10 ga, sheets	200	200	200	600
CR 16 ga, sheets	300	300	300	900
Galvanized 14 ga, sheets	100	100	100	300
Aluminum 0.125, sheets	40	40	40	120
Stainless 16 ga, sheets	30	25	25	80
A36 plate 3/8, plates	8	6	6	20
Release value	$90,620	$86,430	$86,430	$263,480

Material requirements

Our laser and press brake programs depend on these.

MATERIAL	FLATNESS AND FINISH	CERTIFICATION
HR and CR steel	Stretcher-leveled; HR pickled and oiled	Mill test report, heat no.
Galvanized	G90 coating, no white rust	Mill test report
Aluminum 5052	Paper-interleaved, no scratches	Certificate of conformance
Stainless 304	PVC film on the 2B side	Mill test report, heat no.
A36 plate	Mill edge, no laminations	Mill test report, heat no.

Every delivery

We receive on Tuesdays from 6:00 am to 2:00 pm. Loads that miss these are held until corrected.

Paperwork

- ☐ Packing list quotes PO BPF-BPO-2027-Q1 and the release date
- ☐ Mill test reports matching the heat numbers on the tags

Load

- ☐ Bundles under 4,000 lb, on dunnage, banded and tagged
- ☐ Flatbed, side-unload; tarped in rain or snow
- ☐ No rust, dents or bent corners
