Why families choose Evergreen

Our own crews

Employees, background-checked, never day labor.

On time

Crews arrive within 30 minutes of the booked time, or the first hour is free.

Real protection

Full value protection with no deductible, not 60 cents a pound.

One price ceiling

A not-to-exceed price, so a long day never doubles the bill.

How we protect your things

Labeled by room

Every box goes straight to the right room in the new home.

Clothes on hangers

Wardrobe boxes go from closet to closet without folding.

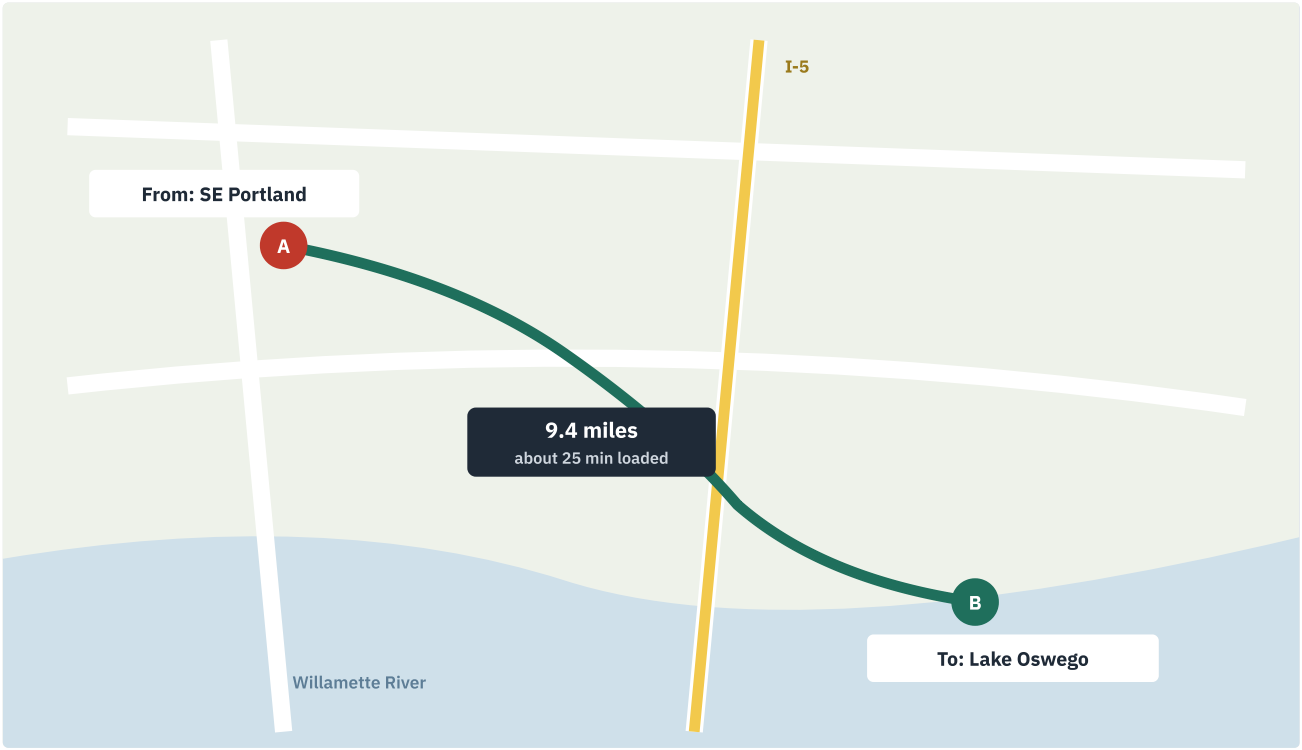

Padded and strapped

Furniture is blanket-wrapped and strapped in the truck.

The route

The truck parks in your driveway in Portland. In Lake Oswego, the street is narrow on the curve: we will place cones at 7:30 am and keep a lane open for your neighbors.

The two days

Times are estimates; the coordinator calls you the evening before each day.

Fri 8:00 am — ○ **Packers arrive**

Kitchen first, then books, closets and the garage.

Fri 2:00 pm — ○ **Packing done**

Boxes labeled by room and stacked by the door.

Sat 8:00 am — ○ **Movers arrive**

Walkthrough with you, floors protected, beds taken apart.

Sat 12:30 pm — ○ **Truck loaded**

Piano last on, first off.

Sat 5:00 pm — ○ **Unloaded**

Furniture placed and beds reassembled.
