The system at a glance

Designed after our walkthrough on November 20, around the three problems you described: shoplifting in aisle 3, after-hours visits to the yard, and no clear view of the registers.

TOTAL	CAMERAS	RECORDING
$7,599.15	**10 × 4K**	**30 days**
Including Texas sales tax	6 inside, 4 outside	Continuous, on site

INSTALL	REMOTE VIEWING	WARRANTY
1 day	**Phone app**	**3 years**
Store open as usual	For you and 2 managers	Parts and labor

What is included

INCLUDED

- 10 cameras, mounted, aimed and tested
- Recorder, monitor and all cabling
- Phone app for 3 users
- Staff training and a quick guide
- First year of cloud backup and monitoring

NOT INCLUDED

- Alarm or access control systems
- Internet service at the store
- Ceiling repairs above existing damage
- Audio recording, which needs signage and consent

What 4K changes

Compared with the two 1080p cameras you have now.

4×

More detail

Faces and plates readable at 40 ft

130 ft

Night range

Outside, across the whole yard

30 days

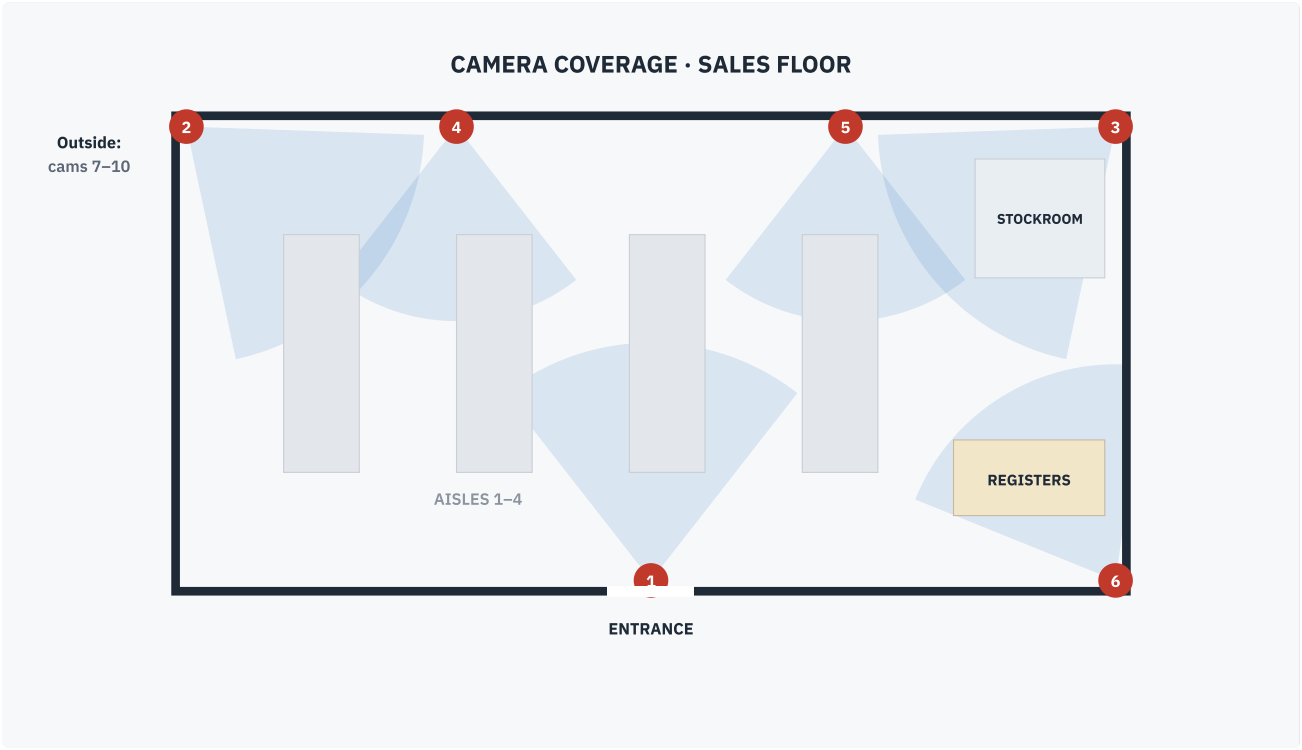

Of video

Instead of 6 days today

Camera coverage

Cameras 1 to 6 cover the sales floor with overlapping views, so a person is always in sight of at least one camera. Cameras 7 to 10 cover the parking lot, the side yard and the loading door.

Camera schedule

#	LOCATION	TYPE	COVERS
1	Above the entrance	Dome	Faces of everyone entering
2–3	Front corners	Dome	Aisle ends and front displays
4–5	Above aisles 2 and 3	Dome	Shelves with small, high-value items
6	Behind the registers	Dome	Cash drawers and counter
7–8	Front corners, outside	Bullet	Parking lot and sidewalk
9–10	Side yard and loading door	Bullet	Lumber yard and deliveries

Made with ExtraflowDoc extraflowdoc.com

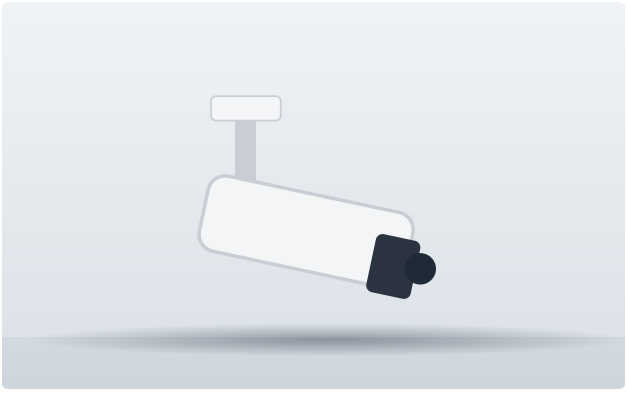

The cameras

4K indoor dome

Vandal-resistant and discreet, with a wide view for aisles and the registers.

IMAGE	
Resolution	8 MP, 4K
Field of view	108°
NIGHT	
Infrared range	100 ft
Rating	IK10 vandal-resistant

4K outdoor bullet

Weatherproof, with a long night range and color in low light for the yard.

IMAGE	
Resolution	8 MP, 4K
Field of view	87°
NIGHT	
Range	130 ft, low-light color
Rating	IP67 weatherproof

Install day

One day, with the store open. Cable runs above the ceiling are done before 10 am.

○ **7:00 AM**

Cabling

Runs through the ceiling.

○ **10:00 AM**

Inside cameras

Mounted and aimed.

○ **1:00 PM**

Outside cameras

Junction boxes sealed.

○ **3:30 PM**

Setup

Recorder, app, zones.

○ **5:00 PM**

Training

Staff, 45 minutes.

Warranty and support

COVERAGE

Cameras and recorder: 3 years, parts and labor

Workmanship: 3 years

Response: Next business day on site

NOT COVERED

- Lightning and power surges without a surge protector
- Cameras moved or opened by others

HOW TO CLAIM

1. Call +1 713 555 0151 or use the app
2. We check the system remotely first

Terms

1. Payment

1.1 50% on acceptance to order the equipment, 50% on completion. Monitoring renews yearly at $45 a month unless cancelled with 30 days' notice.

2. Privacy

2.1 Cameras do not record audio and do not point into restrooms or neighboring property. We supply the "video surveillance in use" signs for the entrances.

3. License

3.1 Work is done by technicians licensed by the Texas Department of Public Safety, Private Security Program, under license B00764.

Accept the quote

Sign to accept. We order the equipment the same day and install within 7 business days.
