Replacement windows for 214 Acton Road

Hi Jenna, thank you for walking me through the house on Saturday. This quote replaces all fourteen of the original wood windows with vinyl windows made to measure, installed in the existing frames so your plaster and interior trim stay as they are. The price below is fixed for the windows listed and holds until Apr 14, 2027.

Window schedule

ROOM	COUNT	SIZE	TYPE
Bedrooms 1, 2 and 3	6	30 × 54 in	Double-hung
